

Cost-effective Active Deterrence

S (Standard)
-Series

Easy to Use

Effortless Installation

Just a screwdriver needed, saving time and effort.

Simple Configuration

IP-free setup, no learning curve. Even beginners can quickly start.

Convenient Maintenance

Batch remote upgrades for 20 devices at once, no onsite visits required.

Professional Security

Compact and Concealed

The size have been reduced by 20%. Two housing colors: white and black.

Enhanced Volume Capability

The alarm volume has been increased to 105 dB, reaching the top level within the industry.

Tamper-Proof Design

The device has no visible screws on its exterior, which effectively prevents theft.

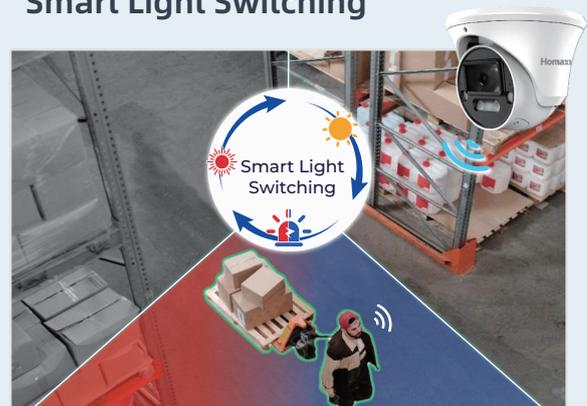

One Screw Angle Locking

Active Deterrence

Smart Light Switching

Focus on deterrence, intelligence, and energy efficiency:

Deterrence

Red and blue lights are flashing as a warning when targets enter restricted areas, enhanced by two-way audio and color recording for effective deterrence.

Smart Perception

Lights adjust to target movements for instant monitoring upon target appearance.

Energy-saving

Conserves energy by maintaining black and white imaging until targets enter specific zones, reducing power usage.

High Cost-effective

• Less Installation Time

30s Quick installation design, saving **50%** installation time.

• Less Material Cost

Internal wire concealment design, saving **30%** on accessories such as junction boxes and construction costs.

IPC4TF2R8-AD-TMSCR
IPC4TF2R8-AD-TMSCR(B)

8MP Active Deterrence Fixed Turret Camera

- 1/2.7" CMOS
- WDR 120dB
- Fixed F1.6 2.8mm Lens
- 8MP@20fps
- Smart Motion Detection
- Perimeter Protection
- Built-in Mic & Speaker

IPC4BF2R8-AD-TMSCR

8MP Active Deterrence Fixed Bullet Camera

- 1/2.7" CMOS
- WDR 120dB
- Fixed F1.6 2.8mm Lens
- 8MP@20fps
- Smart Motion Detection
- Perimeter Protection
- Built-in Mic & Speaker

IPC4TF2R5-AD-TMSCR
IPC4TF2R5-AD-TMSCR(B)

5MP Active Deterrence Fixed Turret Camera

- 1/2.7" CMOS
- WDR 120dB
- Fixed F1.6 2.8mm Lens
- 5MP@20fps
- Smart Motion Detection
- Perimeter Protection
- Built-in Mic & Speaker
